BH presented the Finance Report. He noted that OFMDFM had asked for a draft budget to be prepared covering the period 2011/12 to 2013/14. This had been circulated in advance of the meeting, together with a list of the assumptions on which it was based.

The Chairman said that it was inevitable that there would be some reduction in the budget but it was equally important that the budget should be based on the best estimate of requirements, not on any guess as to what cuts would be forthcoming.

The Board discussed whether staff could be deployed if certain projects were slowed or discontinued.

DR presented the Annual Report from the Audit Committee. The Board noted the report.
ITEM 7: ANNUAL REPORT & ACCOUNTS

DR reported the Audit Committee’s recommendation that the Board should approve the Report and Accounts and that the Chairman and Chief Executive should have authority to sign them once final changes had been agreed with the NIAO and the final draft circulated to the Board for review. The Board agreed to follow this approach and authorised the Chairman and Chief executive to sign the accounts.

BH reported that the draft SIB Review was still the subject of discussion between Ministers and officials.
